

Designer Series Undercounter Wine Storage

ANYWHERE WINE STORAGE FOR EVERY STYLE

Sub-Zero undercounter wine storage features a convenient size and fully customizable exterior, fitting wherever you want it most. Imagine a stunning bar in the study. Added comfort in your master suite. Or seamlessly integrated storage in the butler's pantry. The options are truly endless.

SEAMLESS, FLEXIBLE DESIGN

Stunning aesthetics—that's what Sub-Zero's Designer Series promises. With the help of an integrated door hinge and toe kick, a consistent 3 mm reveal, and fully customizable and adjustable panel-ready doors, Wine Storage delivers a seamless, elegant look and ensures the ideal fit.

TOUCH CONTROLS

Redesigned to match Sub-Zero's full-size Designer Series, the ergonomic touch control panel integrates seamlessly for superior access.

PROTECT EVERY DROP

More than mere coolers, Sub-Zero Wine Storage guards against the harmful effects of heat, improper humidity, light, and vibration.

WELL-LIT WINE SHOWCASE

Soft-on LED lighting fully illuminates the interior when the door is open and can be adjusted to four unique stand-by accent lighting settings.

FEATURES

- Fully customizable exterior, accepting custom panels for an integrated look within cabinetry or stainless steel accessory panels and handles to coordinate other Sub-Zero and Wolf appliances
- Offers 42-bottle capacity
- Intuitive, touch control panel offers ergonomic, convenient access to settings
- Stores reds and whites in individually controlled temperature zones that keep wines at proper serving temperatures, within one degree of setpoint
- Full-extension wine racks provide easy access to standard-size bottles, half bottles, and magnums without agitating others
- Dual evaporators maintain constant, moderate humidity so corks do not dry out
- UV-resistant glass door shields wine from harmful light
- Soft-on LED lighting fully illuminates the interior when the door is open and can be adjusted to four unique stand-by accent lighting settings
- Inventory tile system aids collection organization

Refrigeration. Cooking.
