

NEW 60cm Built-In Single Oven

SLEEK AND SPACE SAVING

Wolf convection ovens control heat and airflow to help ensure more consistent, more delicious results. The Wolf 60cm Single Wall Oven offers high-performance cooking with a smaller footprint to fit compact spaces.

NEW MADE TO MATCH

The elegant exterior pairs perfectly with 60 cm transitional-style Wolf Convection Steam and Speed Ovens and other Sub-Zero and Wolf appliances.

NEW INTUITIVE CONTROLS

A sleek 20 cm full-color LCD touchscreen adds refinement to the oven's style, while updated and intuitive controls guide the user through various modes and features. Easily customize the user interface with drag-and-drop tile options.

NEW FULL-EXTENSION RACKS

Inside, three full-extension rack positions and one standard position allow easy access and increased cooking flexibility. Two standard racks and a grill pan with rack are included.

NEW USER FAVORITES

Save up to 50 favorite recipe presets, and customize modes to easily recreate personalized go-to meals.

Even *the most compact kitchen* can experience consistently delicious results.
