

NEW Built-In Coffee System

BREW YOUR PERFECT CUP

Take a few extra moments to enjoy a *professional-quality, customized beverage* with the help of the Wolf Built-In Coffee System.

SIMPLE TO USE

- Intuitive full-color touchscreen
- Easily customize beverage type, strength, temperature, quantity, and milk preference
- Create up to six independent user profiles with saved favorites
- Brew favorites with just a touch or two

15+ PROFESSIONAL-QUALITY BEVERAGES

- 15+ beverage options, including coffee, espresso, cappuccino, latte, and more
- Dual dispensing spout can adjust to the height of your cup

EASY TO CLEAN

- Self-cleaning system rinses at startup and shutdown
- With the insulated milk container with froth regulator, milk entirely bypasses coffee brewing system

REFINED DESIGN

- No water lines required
- Integrates beautifully into kitchens, offices, and bedrooms of all styles
- Pairs with suite of Sub-Zero and Wolf appliances
